

Tri-Max™ Handheld Showerhead

N2615CH-HH-R

OVERVIEW

Tailored showers for smarter savings—just twist to adjust.

The Tri-Max™ Handheld Showerhead puts control in your hands, allowing you to easily adjust flow from a light, water-saving setting to a full, refreshing rinse. It's a simple way to match your shower to your needs while using less water.

Advanced spray technology delivers consistent coverage and a comfortable feel, even in homes with lower water pressure. Combined with a versatile handheld design, Tri-Max gives you flexibility, performance, and efficiency in every shower.

FEATURES

• Tailor Water Use To Showering Tasks

Choose between 0.5 GPM for soaping, 1.0 GPM for standard showering, or 1.5 GPM for a powerful rinse—just twist to adjust.

• Handheld Flexibility and Control

Includes a 72" stainless steel hose and mounting bracket for easy maneuverability and targeted rinsing.

• Great Feeling Sprays

Integrated Equiforce® Technology ensures uniform flows, great feeling sprays, and broad coverage even in lower water pressure homes.
