

# Wi-Fi & BLE Enabled Smart Socket

SS-15A1-WiFi-BLE

## OVERVIEW

Experience the convenience of home automation while saving energy and lowering bills by transforming how you control lights and appliances with the Simply Conserve® Smart Socket. Turn them on/off, set timers, and create schedules from anywhere in the world with the Simply Conserve® mobile app or use Alexa or Google Assistant for easy voice control.

## FEATURES

- **Stay Connected from Anywhere**  
24/7 connection to your home or commercial building using the Simply Conserve® app.
- **Control With Ease**  
Use your smartphone or voice commands via Amazon Alexa or Google Assistant—no hub required.
- **Automate Your Plug Loads**  
Build custom schedules to brighten and dim your space or turn small appliances off and on.
- **Customize Your Space**  
Group your plugs to simultaneously control multiple devices through a tap on your phone or voice commands.
