SAFETY INSTRUCTIONS

1. Read instructions carefully before attempting to install this fixture and make sure it is grounded properly.
2. Disconnect power before installing or servicing. This fixture must be wired in accordance with the local codes and ordinances.
3. When attempting to readjust the fixture, after turning the power off, wait for the fixture to cool.
4. Applicable for both indoor and outdoor use.
5. This product is not intended for enclosed fixtures.

INSTALLATION INSTRUCTIONS

1. Install the fixture on the desired position with screws.
2. After the fixture is fixed, rotate the bracket and adjust the illumination bracket.
3. Connect the L, N, GND wires to the electric cable properly and switch on. No fire safety rule can be violated when the fixture is in use.
