

Demanding Skin

Our Demanding Skin line is tailored to the needs of skin that is stressed due to a hectic lifestyle, environmental factors, and more. Designed to prevent premature aging and to protect the skin from damage, the Demanding Skin collection supports your skin's natural defenses, keep it supple and resilient even when faced with environmental stresses.

Oat extract lifts and moisturizes the skin while forming a protective film over the surface of the skin.

Yeast extract stimulates collagen production and fortifies the skin's structure to reduce wrinkles and fine lines.

Vitamin C Phosphate is a stable water-soluble form of Vitamin C. It neutralizes free radicals, stimulates collagen production, and fades age spots.

Basic Protocol

1. Cleanse	Brightening Face Cleanser	This rich cleansing lotion removes makeup and impurities from the skin without drying. Mulberry root extract brightens and refreshes the skin. Massage over skin in circular motions and rinse with water. In the case of heavy makeup, cleanse in 2 stages: 1) Apply lotion and wipe off excess with tissue, and 2) Apply cleanser again, massage over skin gently and rinse off.
2. Exfoliate	Intensive Face Scrub	Our Intensive Face Scrub contains peach kernel powder to remove the top layer of dead skin cells, unclogging pores and revealing fresher, supple skin. Once or twice a week, massage in gently with moist fingers. Rinse with water. Follow with Brightening Face Freshener to cleanse off any residue.
3. Tone	Brightening Face Freshener	This gentle alcohol-free tonic removes cleansing residue from the skin, restores the skin's pH, and revives and moisturizes the skin. Pour Brightening Face Freshener onto a cotton pad and stroke gently over the face and neck.
4. Moisturize	Rich Nutrient Skin Refiner	This day cream contains SPF15 and a variety of actives to protect the skin from its environment and prevent premature skin aging. Oat extract lifts the skin while hyaluronic acid moisturizes and smoothes out fine lines. Apply to face and neck in the morning and allow to absorb. The Rich Nutrient Skin Refiner is an excellent base for makeup.

	Lifting and Recovery Cream	This intensive restorative cream can be applied day or night. Containing several active substances, including vitamin A palmitate, this cream works throughout the night to reinforce the skin's structure and restores moisture. Massage gently onto face and neck. If using during the day, follow with Face Guard SPF30.
5. Eye Cream	Rich Eye Contour Cream	Smooths the eye area, which can be one of the first places to show fine lines. Macadamia oil, vitamin A palmitate, and hyaluronic acid plump and smooth out skin. Pat gently around eyes with fourth or pinky finger.
