

<b>Basic Protocol</b>		
<b>1. Cleanse (Morning &amp; Night)</b>	Multi Action Cleansing Balm (Mature Skin Line)	Apply and gently massage-in a hazelnut-size quantity of the balm to any dry skin on your face, neck and décolleté to remove make-up. Moisten your fingers and massage the skin again. Finally, remove using warm water. Tip: Multi Action Cleansing Balm combines four application possibilities in one product; it is suitable as a cleansing balm, make-up remover, moisturizing mask and as an SOS balm for areas of particularly dry skin.
<b>2. Refreshment</b>	Micellar Skin Tonic (Mature Skin Line)	Apply Micellar Skin Tonic in the morning and in the evening after cleansing with Multi Action Cleansing Balm. Apply Micellar Skin Tonic to a cotton pad and then stroke gently over your face, neck and décolleté – your usual care routine should follow.
<b>3. Eye Cream</b>	Eye Cream	Smooths eye contours and reduces puffiness and dark circles. Spread eye cream around eye area. Spread eye cream gently around the eye area, in the morning and evening
<b>4. Protection</b>	Face Guard Advanced (Daytime Only)	Cleanse skin in the morning and apply Face Guard and apply day cream after
	Day Cream	Best after applying Effect Serum. Apply Day Cream and rub in gently. Advice: Face Guard Advanced can be used to complement Day Cream to protect effectively against UV & IR radiation. You can apply Face Guard Advanced under Day Cream.
	Night Cream	Best when used after the effect serum. Apply night cream and gently rub in
<b>5. Enhancement</b>	Effect Serum	Apply to cleansed skin in the morning and/or evening and spread evenly

	Skin Refining Enzyme Peel	Apply a thin layer in the evening. Let sit overnight and wash off in the morning.
<b>3. Serum</b>	Skin Contour Fluid	Cleanse skin and gently spread the Skin Contour Fluid. To do this, wrap the top of the ampoule in a paper towel before breaking off the top and pouring the contents into the palm of your hand. Then, spread the fluid evenly over the face and neck, and rub in thoroughly. For external use only. Application note: Only apply using iontophoresis if the condition of the skin permits this. Product electrode polarity: NEGATIVE (-), duration: 3-5 minutes.
	Stem Cell Fluid	Gently distribute Stem Cell Fluid onto cleansed skin. To do so, break off the top of the ampoule, protecting your hands with a paper tissue, and pour the entire content into the palm of your hand. Then distribute evenly over the face and neck and press in gently. For external use only.
<b>4. Mask</b>	Rejuvenating Mask (Mature Skin Line)	Apply the Rejuvenating Mask generously to the cleansed skin two to three times a week. Leave on for 10-15 minutes and remove the residue with a moist, warm flannel – then follow your usual care routine.
<b>5. Eye Cream</b>	Eye Cream	Smooths eye contours and reduces puffiness and dark circles. Spread eye cream around eye area. Spread eye cream gently around the eye area, in the morning and evening
