## 7. Handling and Storage

**Handling:** No further requirements.

**Storage:** Keep away from heating - and ignition sources.

## 8. Exposure Controls/Personal Protection

No further requirements.

## 9. Physical and Chemical Properties

### Physical State

Physical State: Solid

Color: White

Odor: Odorless

### Safety Relevant Data

Autoflammability: 350°C

Solubility: Impregnation <<1g/l at 20°C

## 10. Stability and Reactivity

**Conditions to avoid:** None

**Materials to avoid:** None

**Hazardous decomposition products:** None

## 11. Toxicological Information

Quantitative data about toxic effects are not known.

## 12. Ecological Information

**General Statements:** Cotton fibers can be decomposed biologically. Negative ecological effects caused by the impregnation are not to be expected.

## 13. Disposal Considerations

Disposal as domestic garbage like commercial waste.

## 14. Transportation Information

The product is not affected by transport regulations.

## 15. Regulatory Information

No special markings required.
