## 1. Identification of the substance/mixture and of the company/undertaking

### 1.1 Product identifier

**Trade Name:** Zinc Series Wicks

**UFI#**

### 1.2 Relevant identified product use

**Intended use:** Candle Wicks

### 1.3 Details of the manufacturer/supplier of the safety data sheet

**Supplier:** Lone Star Candle Supply, Inc.  
5800 Park Vista Circle  
Keller, TX 76244  
Ph#1 (800) 929-9425  
F#1 (817) 741-0879  
Web: [www.lonestarcandlesupply.com](http://www.lonestarcandlesupply.com)

### 1.4 Emergency telephone number

**1 (817) 741-0876** Domestic USA, Canada, Puerto Rico, and US Virgin Islands  
International

## 2. Hazards Identification

All components of this product are considered non-hazardous under OSHA 1910.1200. As of 2/14/2001 the Consumer Product Safety Council has recommended that the limit for lead in candlewicks should be 0.06%. Zinc wire has a maximum level of lead impurities of 0.004%.

## 3. Composition/Information on Ingredients

No information available.

## 4. First Aid Measures

**Respiratory Tract:** None required under normal use of this product - No respirator required.

**Skin:** Not normally considered a skin hazard. Where skin contact is made practice good personal hygiene. Wash hands and other exposed areas with mild soap and water before eating, drinking and when leaving the work area.

**Ingestion:** No hazard in normal industrial use. Do not induce vomiting. Seek medical attention if symptoms develop and provide medical care provider with this MSDS.

No additional first aid information available.

Product: **Zinc Series Wicks**

## 5. Fire-Fighting measures

**Flammable:** Yes

**Suitable extinguishing media:** Water and/or use of media appropriate to surrounding fire.

**Emergency First Aid:** Procedure for burns.

## 6. Accidental Release Measures

No information available.

## 7. Handling and Storage

No information available.

## 8. Exposure Controls/Personal Protection

**Engineered Controls:** No exposure control limits exist for this product and none is likely to be required under normal conditions.

**Respiratory Tract:** None required under normal use of this product - No respirator required.

**Skin:** Not normally considered a skin hazard. Where skin contact is made practice good personal hygiene. Wash hands and other exposed areas with mold soap and water before eating, drinking and when leaving the work area.

## 9. Physical and Chemical Properties

### HMIS Ratings:

Health: 0

Flammability: 0

Reactivity: 0

No hazard in normal industrial use.

No absorption under normal industrial use.

Physical State: Solid

Physical Appearance: Natural to off white in color with silver core.

## 10. Stability and Reactivity

**Chemical Stability:** Chemically stable

**Incompatibility to other substances (conditions to avoid):** Water, humidity, and oil.

**Reactivity:** Disintegration when burned.

**Hazardous Decomposition:** None

**Hazardous Emissions:** None

**Environmental Hazards:** Dispose of scrap according to state laws.

**Hazardous Combustion Products:** Carbon monoxide and carbon dioxide.

**Clean Up:** No special clean up consideration. Collect and discard in the regular trash. Ensure clean up measures are in compliance with OSHA (29 CFR 1910.1200)

## 11. Toxicological Information

**Handling:** No special handling.

**Storage:** No special requirements. Keep dry.

No additional toxicological information available.

## 12. Ecological Information

No information available.

## 13. Disposal Considerations

No information available.

## 14. Transportation Information

**U.S. Surface Freight Classification:** Class 70

**Precautions to be taken in handling & storing:** Keep dry.

## 15. Regulatory Information

No information available.

## 16. Handling and Storage

This safety data sheet is based on the properties of the material known to Lone Star Candle Supply, Inc.™ at the time the data sheet was issued. The safety data sheet is intended to provide information for a health and safety assessment of the material and the circumstances, under which it is packaged, stored or applied in the workplace. For such a safety assessment Lone Star Candle Supply, Inc.™ holds no responsibility. This document is not intended for quality assurance purposes
