11	1431-360	REGULATOR, PILOT
12	408013	PRESSURE GAUGE, 1/8" NPT
13	120-0260	VALVE, FOOT PEDAL AIR
14	888-2123-106PB	VALVE, AUTO AIR, 1", (NORMALLY CLOSED)
	888-2123-00699PB	VALVE, AUTO AIR, 1/2", 3/4" & 1", REPAIR KIT

⚠ DANGER

Explosion Hazard

Opening a pressurized vessel or performing maintenance on pressurized equipment will cause an explosive release of air causing serious injury or death.

Safely depressurize pressure equipment before attempting to open or service. Always disconnect from air source before performing maintenance.

⚠ WARNING

These products and equipment are not under any circumstances to be used with sand or silica products of any type and use of such materials will void any warranty. Also, as with the use of any product or equipment you must be sure to use the proper safety equipment and to properly train your employees in the use of any equipment or products. The manufacturer, wholesaler and distributor assume no responsibility arising from the failure to use proper safety equipment or the failure to properly train employees in the use of products and equipment.
