CONSTRUCTION NOTES

The blanket consists of 12 unique cable blocks, each worked individually and then sewn together. The blocks include a garter stitch selvedge edge. Each block's pattern stitch is both written and charted for your preference.

Cast on all blocks using the long-tail method; the first row begins on a WS row.

Cable and rib patterns naturally draw inward, so when blocking, focus on stretching the fabric widthwise to meet the stated measurements. Once the blocks are joined, the inward draw will balance out.
