CONSTRUCTION NOTES

The blanket consists of 12 unique cable blocks, each worked individually and then sewn together. The blocks include a garter stitch selvedge edge.

Each block's pattern stitch is both written and charted for your preference.

Cast on all blocks using a long-tail method; the first row begins on a WS row.

If you prefer to seam your blocks as you complete them, please refer to the [Cable Craze Block Arrangement Ideas PDF](#), where you'll find suggested arrangement options for your finished pieces. If you are new to seaming, you can look forward to our upcoming Finishing video later this year, or revisit last year's Blanket Seaming tutorial on YouTube [HERE](#).
