NOTIONS

Cable needle, tapestry needle

GAUGE

Note: Block 11 cable pattern knits up at a tighter gauge than the other blocks because of all the twists and turns, so you may need to adjust your needles to match the finished gauge.

25 sts and 30 rows = 4" / 10 cm in Block 11 Pattern St

Gauge is measured after blocking. To save time and ensure accurate measurements, take time to check gauge.

CONSTRUCTION NOTES

The blanket consists of 12 unique cable blocks, each worked individually and then sewn together. The blocks include a garter stitch selvedge edge.

Each block's pattern stitch is both written and charted for your preference.

Cast on all blocks using a long-tail method; the first row begins on a WS row.

If you prefer to seam your blocks as you complete them, please refer to the Cable Craze Block Arrangement Ideas PDF, where you'll find suggested arrangement options for your finished pieces. If you are new to seaming, you can look forward to our upcoming Finishing video later this year, or revisit last year's Blanket Seaming tutorial on YouTube HERE.
