GRANNY ASSEMBLY

NOTE: Refer to the assembly diagram on page 6 (7) throughout instructions. The granny squares/triangles do not need to be joined in the exact order described below, as long as they all fit together as shown on the diagram. Numbering of the granny squares/triangles on the diagram is based on the order of joining described below.
First Tier: With MC, join yarn in first ch-1 sp of Quarter Granny Triangle (#1 on diagram), ch 3, 2 dc in same sp, work [ch 1, 3 dc in next ch-1 sp] across to last ch-1 sp, ch 1, work 3 dc in last sp, ch 2.
Work 3 dc in first ch-1 sp of Half Granny Triangle (#2 on diagram), work [ch 1, 3 dc in next ch-1 sp] across first side of triangle, ch 1, work [3 dc, ch 2, 3 dc] in corner ch-2 sp, work [ch 1, 3 dc in next ch-1 sp] across second side of triangle to last ch-1 sp, ch 1, work 3 dc in last sp, ch 2.
Work in this manner along 4 (8) more Half Granny Triangles, then across the single side of the other Quarter Granny Triangle, which is #7 (11) on the diagram, ending with 3 dc in last ch-1 sp, then ch 2.
Second Tier: Work 3 dc into one corner space of square 8 (12), * ch 1, sl st into corresponding ch-1 sp on triangle 7 (11), 3 dc in next ch-1 sp of square 8; rep from * across first side of square 8 (12), in corner ch-2 sp work 3 dc in corner sp, ch 1, sl st over ch 2 between the two triangles below, ch 1, work 3 dc in same corner sp of square 8 (12), work across second side of square 8 (12) in the same manner, joining to first side of triangle 6 (10). End with first group of 3 dc in next corner sp, then ch 2 without joining below.
3 dc into one corner sp of square 9 (13), then work across first side joining to triangle 6 (10) below.
Continue across this tier of squares, ending in the third corner of square 13 (21). Work [3 dc, ch 2, 3 dc] into this corner, then work around the last two sides of this square without joining, ending with 3 dc in the first corner (where you have already worked one group of 3 dc). Ch 2 without joining, then work 3 dc into square 12 (20). Continue working across the top edge of this entire tier, ending with square 8 (12) with 3 dc into last corner sp (where you began this tier with 3 dc in this sp).

Ch 1, sl st in corner of triangle 7 (11), ch 1.

Third Tier: 3 dc in triangle 14 (22), work across first side of this triangle.

Work across 2 sides of squares 15–19 (23–31) and one side of triangle 20 (32). Fasten off.

Begin at the top of Triangle 20 (32), work across the top edges of this tier, ending with triangle 14 (22).

Fourth Tier: Size S/M/L ONLY: Work across two sides of square 21, joining to triangle 14 and square 15, and one side of square 22, joining to square 15.

Size XL/2X/3X ONLY: Work across two sides of square 33, joining to triangle 22 and square 23, then across two sides of square 34, joining to squares 23 and 24, and one side of square 35, joining to square 24.

Both sizes: Work across the next side of square 22 (35) without joining, then work across one side of square 23 (36), joining to the side you just worked on square 22 (35). Continue across the next side of square 23 (36), and two sides of squares 24 and 25 (37–40), joining to the squares below, then work one side of square 26 (41) joining to square 18 (29).

Work across the next side of square 26 (41) without joining, then work across one side of square 27 (42), joining to the side you just worked on square 26 (41).

Work second side of square 27 (42) and last 1 (2) squares of this tier as established, ending with square 28 (44).

Work across tops of all squares in this tier beginning with square 28 (44) and ending with square 21 (33). Fasten off.

Fifth Tier: Rejoin yarn at square 29 (45), and work as established across first two sides of squares 29–37 (45–57), joining squares 30–31 (47–48) as for squares 22–23 (35–36), and squares 35–36 (54–55) as for squares 26–27 (41–42). Work without joining across top of 37 and 36 (57, 56, and 55), then all four sides of 38 (58), then 35–31 (54–48), then all four sides of 39 (59), then 30 and 29 (47, 46, and 45).

Fasten off.

FINISHING

Hem: With MC and circular knitting needle, pick up and knit approximately 26 sts for each half triangle and 14 stitches for each quarter triangle across the bottom edge—exact stitch count is not critical but must be a multiple of 4.

Set Up Rib: Row 1 (WS): P1, [p2, k2] to the last 3 sts, p3.

Row 2: K1 [k2, p2] to the last 3 sts, k3.

Repeat the last 2 rows until hem measures 2½" / 6.5 cm. Bind off in rib.

Sleeve cuff: With MC and DPNs, pick up and knit approximately 26 sts for each half triangle and 14 stitches for each quarter triangle across the sleeve opening—exact stitch count is not critical but must be a multiple of 4. Divide stitches evenly over DPNs, place marker and join for working in the round.

Set Up Rib: Rnd 1: * K1, p2, k1, repeat from * to the end of the round.

Work in rib as established for 3" / 7.5 cm. Bind off in rib.

Neck/Buttonband: Note: Substitute any buttonhole method you prefer, just adjust stitch counts accordingly. With MC and circular knitting needle, pick up and knit approximately 26 sts for each half triangle and 14 stitches for each quarter triangle up the right front, across the neck back and down the left front—exact stitch count is not critical but must be a multiple of 4+2.

Set Up Rib: Row 1 (WS): [P2, k2] to the last 2 sts, p2.

**Row 2:** [K2, p2] to the last 2 sts, k2.

Repeat the last 2 rows once, then work 1 WS row.

Buttonhole row (RS): Work 6 sts in rib, [p2tog, yo, work 10 sts in rib] 3 times, p2tog, yo, work in rib to end.

Work in rib as established for 4 more rows. Bind off in rib on WS.

Sew buttons to correspond with buttonholes. Weave in all ends and block as desired.
