FINISHING

Break yarn, leaving a tail several yards long for sewn bind-off. Thread the tail into a tapestry needle, * insert the tapestry needle purlwise through the first 2 sts on the needle, pull the yarn all the way through. Insert the tapestry needle knitwise through the first stitch on the needle, pull the yarn all the way through and drop the stitch off the needle. Repeat from * until all the stitches have been bound off. If preferred, a stretchy bind-off also works well.

Carefully unpick provisional cast on, placing 4 sts on one end of needle, and 4 sts on the other end. Graft sts together using kitchener st.
 Weave in all ends and block as desired.
