FINISHING

Cut four 100" / 254 cm long strands of B and, holding strands together, thread into tapestry needle. With RS facing, begin at cast-on edge, weave 4 strands through each purl stitch of pattern to bound-off edge of shawl. Trim strands, leaving 6" / 15 cm free at each end of shawl. Knot each group of 4 strands together at both ends to keep them from pulling out. Repeat in each purl stitch across shawl forming stripes.

Weave in all ends and block as desired.
