NOTE: We recommend using yarns called for in our instructions. Every effort has been made to ensure that directions contained in this book are accurate and complete, however errors do occur. We cannot be responsible for variance of individual knitters, human or typographical errors.

All pattern PDFs are updated when corrections are made. In the event of finding an error, please make sure you've downloaded the most recent version.

NOTES

When changing colors, hold yarn to the left and pick up new color from underneath. This twists yarn so there are no holes. Use a separate ball of yarn so there are no holes. Use a separate ball of yarn for each color section of chart. **DO NOT** carry yarn across. You may find it helpful to wind yarn into smaller balls.

BLANKET

Cast on 101 sts with CC1, then 7 sts with CC2.

Working all sts in St st, follow color charts, as follows.

Row 1 (RS): Work Chart A. Work Chart B

Row 2: Work Chart B. Work Chart A.

Continue working from charts as established. When Charts A and B are complete, work Charts C and D, then Charts E and F. (See diagram.) Bind off, working sts in colors from last row.

FINISHING

Using CC1, work one row of single crochet around all four sides. Fasten off.

Weave in all ends and block as desired.
