NOTE: We recommend using yarns called for in our instructions. Every effort has been made to ensure that directions contained in this book are accurate and complete, however errors do occur. We cannot be responsible for variance of individual knitters, human or typographical errors.

All pattern PDFs are updated when corrections are made. In the event of finding an error, please make sure you've downloaded the most recent version.

NOTE

Each square is worked in one piece, then the squares are joined by crocheting them together. Sample blanket has five each of the four block designs, but you could choose any configuration of the blocks that you like! For more information on calculating yarn quantity for other block configurations, see our [blog post](#).

FINISHING

Weave in all ends and block squares as desired. Use diagram as a guide to block placement and direction, or choose your own configuration. With #6201 and crochet hook, join blocks into strips as follows: Align two blocks, with RS facing out. * Insert hook into edge of left block, then into edge of right block, and pull up a loop. Yo hook and pull through loop. Rep from *.

Join the strips using the same method, then work 1 row of sc around entire blanket. Weave in any remaining ends.
