**Twisted Cord:** Cut 2 strands of yarn 3½ times the desired length of finished cord. (We suggest that you measure your waist, then add 24" to it for ties.) Put cords together and fold in half. Tie ends in a knot. Holding the knot in your hand, slip the loop over a hook and pull tight. Slip a pencil through the knotted end and twist until cord is so tight that it can't be twisted further and starts to double back on itself. Put 1 finger in center of cord and carefully fold in half. Knot both ends. Weave cord through eyelet row of sweater, starting at inner edge of right frontband and ending at inner edge of left frontband.
